EXPERIENCE

Amazon Delivery Station, Torrance, CA — Seasonal Warehouse Associate

MARCH 2023 - JANUARY 2024

Conducting a task per shift in order to organize bags for drivers to deliver to the right locations. Tasks I have conducted: stow, pick to buffer, restock, lineload, pick, divert, water spider, unload, and induct. Heavy lifting was an occasional task when bag reset or driver starting shift phase would occur.

Carl's Jr, Torrance, CA — Crew Member/Shift Leader

AUGUST 2022 - JANUARY 2023

A few things that I did were promote our new items to our customers. I would serve customers and maintain a clean area. I would keep our lobby clean and restocked. I would make our customers feel welcomed as soon as they walked in.

Subway, Torrance, CA — Sandwich Artist

AUGUST 2018 - JUNE 2021

Worked closing shift in a team of two. Had to work with a POS to process in-store orders. Handling and tracking dates of the ingredients used at the restaurant was a priority task and keeping the lobby and kitchen clean too.

EDUCATION

El Camino College, Torrance, CA — Associate in Science

August 2021 - June 2025

Doing part-time schooling in order to have time to work and study and also attempting to recover courses that set me back during the pandemic
